SERVICES

Lisa Dennys is an expert in helping people with significant, chronic health conditions to recover their health, return to function and get their life back. She specializes in helping people with chronic fatigue syndrome, fibromyalgia, peri-menopausal and menopausal concerns.

Lisa uniquely blends Western and Eastern thinking, science and intuition in her client offerings. Currently as a Power Coach® and Medical Intuitive, and previously as an Occupational Therapist, Lisa has worked in healthcare for over 35 years. Lisa's diverse professional training and experience provides a balanced perspective and comprehensive tools for overcoming illness. Her strong analytical thinking enhances her holistic, practical problem-solving. Her intuitive methods help clients get to their deeper truths. Lisa's clients praise her exceptional listening skills and steady compassion. She is gifted at asking life-changing questions that create bursts of self-awareness, leading clients to explore new options and take successful actions. Combined with teaching proven tools and strategies to help people build self-trust and take charge of their life, Lisa helps her clients create a powerful blueprint to health. Having dealt with debilitating chronic fatigue syndrome herself, Lisa
